

HONDURAS PUBLIC HEALTH BRIGADES FOR UK CHAPTERS

Note: Donation Goals are set by the Program Associate at the Travel Donation Goal Deadline (two months before the brigade).

If interested in adding some extra days to your brigade, please review the [ADD-ONS](#) you could include, and follow up with your PA.

**The impact per volunteer is the international average of this program. It accounts for all brigade types that participate in these activities in addition to resources from partners, donors, and grants.*
