

Greece Nursing Site Visit and Professional Development Program

June 25-29, 2025 | January 6-10, 2026 | June 22-26, 2026

Join university nursing faculty and administrators from across the country as our International Nursing Team guides you through Athens, Greece to experience how Kambia provides essential medical services to immigrant and refugee families living in the city. The program includes all airfare, food,

lodging, transport and cultural activities. Take advantage of the opportunity for professional development while experiencing the culture and beauty of Greece, and return home with a deeper sense of confidence and purpose to promote a future Kambia Nursing Program!

Celebrating 20 years of empowering university faculty and students to support access to global health!

FAQS

Who is invited on a Nursing Site Visit?

Any university/college faculty or administrator from across the country who is interested in and serious about offering a Kambia Nursing or program at their university in the future!

Where do we stay during our program?

Faculty will stay at one of GB lodging facilities in Athens. This would either be our GB lodging or a hotel located in the center of the city. Our team will share with you your assigned lodging. Double rooms with are provided by default and options to upgrade to individual rooms are provided upon request.

Is there a cost to participate in a Nursing Site Visit to Greece?

The Professional Development Fee of \$2200 includes airfare (up to \$1700) and all in-country expenses including food, lodging, transportation, and cultural activities. Professional Development Fees are made in the form of a 'donation' to our 501c3 non-profit on behalf of the registered participant.

Contact us to request further supporting documentation to cover the Professional Development Fee through university and departmental budgets.
