

Pre-Med Clinical Experience

Welcome to the Pre-Med Clinical Experience, the #1 online international medicine program for high school students!

This is a **5-Session Introduction to the World of International Medicine**. During these sessions, you will receive training from international healthcare professionals, be coached in how to get into medical school, gain live clinical shadowing hours during the **LIVE CLINIC SESSION**, and meet with medical professionals from around the world that can help you start your journey in international medicine.

Clinical Training #1

Wednesday, April 23rd at 5pm Pacific/8pm Eastern

This one-hour clinical training will be live with our international medical team over Zoom. You will be introduced to taking vitals, learn how to ask proper questions in triage, and be prepared to shadow doctors during the Live Clinics on Saturday, May 10th.

This is Part 1 of a 2-part training that is required for you to attend the Live Clinics session. The session will be recorded.

How to Get Into Med School (with MedSchoolCoach)

Wednesday, April 30th at 4:30pm Pacific/7:30pm Eastern

Join the MedSchoolCoach team on a live webinar to gain essential understanding of the medical school process and learn what steps you should be taking now as a high school student to get ahead.

Clinical Training #2

Wednesday, May 7th at 5pm Pacific/8pm Eastern

During this one-hour live session with international medical professionals, you will dive deeper into patient intake, triage, doctor shadowing, and pharmacy operations to make sure that you are ready for the Live Clinical Session.

LIVE CLINIC EXPERIENCE!

Saturday, May 10th at 9am PST/12pm EST

During this session, you will be connected live to our clinic in Tegucigalpa, Honduras to shadow doctors as they consult real patients. During the 2-hour session, you will talk directly to the patients (using interpreters), support the doctors during the consultation, and understand the medical challenges facing each patient as well as the doctor's diagnoses and the prescribed medicine and lifestyle changes. This session must be joined live and will not be recorded.

Global Medical Panel (with Dr. Shital Vora)

Wednesday, May 14th at 5pm PST/8pm EST

During this session, you will join Dr. Shital Vora (CoFounder of Global Brigades), Stephanie Merlo (Registered Nurse), and Lizbeth Vidal (Syracuse University Chapter Leader) to discover how service learning can enrich your healthcare journey, develop your skills, and inspire a future of impact.

This experience is included at no additional charge to all Global Medical Squads Members, or for a one-time program fee of \$49.99.
