

BUSINESS Academy

by Global Brigades

A Proud Partner of
BPA and FBLA

Global Business Academy propels high school students into the field of international business through real-world consulting projects in Panama, Belize and Greece during which students gain hands-on experience building real business solutions alongside partner clients and international business professionals.

WHERE WE WORK

BELIZE

GREECE

GHANA

PANAMA

Consult Businesses Abroad

On each Business Academy, students will:

- Gain 30+ hours of international business experience alongside local professionals
- Help real entrepreneurs address real business challenges
- Build high-level business skills for college and beyond
- Explore an exciting new country through cultural and sightseeing activities

Real World Business Experience

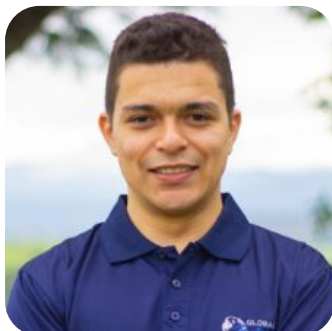

Custom Date Programs for School Groups and Clubs: your group chooses the dates and destination, a minimum of 12 students with 2 free faculty required.

Summer Cohort Programs for Individuals or Smaller Chapters: fixed dates in the summer open to individual students and chapters of 5+ students with 1 free faculty.
